Southwest Green Line LRT Extension

LRT BUILD Apprenticeship Prep. Program

The LRT BUILD Program is a **10-week apprenticeship preparatory program** that will prepare you for an exciting and well-paid career in the construction industry. This program offers graduates the opportunity to meet with unions and contractors working on the Southwest Light Rail Transit (Metro Green Line Extension) Project. Attend an upcoming session to determine which start date works best for you **April 17 or June 5**

To participate in the LRT BUILD program, you must:

- Be at least 18 years old
- Have received a H.S. Diploma/GED or be scheduled to graduate from high school by June 2017
- Possess a valid driver's license by the end of the 10-week program
- NOT already enrolled in a Construction Union

For More Information:

Phone: 651-308-8554

Email: LRTBUILD@metrotransit.org

Featured Trade of the Week

[Cement Masons Local 633](#). We are dedicated to serving cement masons, finishers, and block makers throughout the states of MN, ND, and the northwest area of WI. We also serve the plasterers outside of the Metro area of Minnesota, all of North Dakota, and part of Wisconsin.

Our goal is to provide for our members a unified, strong and enduring trades worker union and secure for us safer jobs with better conditions and benefits. Through our collective bargaining agreement, we negotiate a multi-employer health insurance and pension programs. We strive for a safe, drug free work environment that gets our members home safe and helps Union contractors with controlling their workers' compensation rates. This helps a Union contractor be more profitable and allows them to be more competitive for all future bidding. In addition, Local #633 helps to promote a living wage and a best value contracting to all private and public groups.

Cement Mason's Apprenticeship Training Each year through your Apprenticeship Training you will receive a minimum of 144 hours of combined classroom and shop instruction. Over the course of your Apprenticeship you will also receive 6000 hours of on-the-job training designed to educate you in all the theories and practices of the Cement Masons' and Plasterers' Crafts. Plus, while on the job you'll start at 70% of the journey workers area hourly wage rate, increasing progressively to 100% by graduation.
