This workshop is tailored specifically to the Older Job Seeker and will provide individuals with different ideas and tips to attain your next job.

Topics of discussion:

- Unique barriers that older job seekers experience.
- Share individual career journeys, emotions and offer coping remedies.
- Clarify “seasoned” and applicable myths for the older jobseeker.
- Identify valuable skill sets and accomplishments in your career.
- Share resume tips.
- Interviews – handling the tough questions.
- What is networking and how will it benefit me?
- Heavy interactions regarding all topics.

Registration required.
