Workshop Descriptions

Creative Job Search: This workshop covers the foundations for a successful job search. Topics include transition, skills identification, resume strategies, and more.

Interviewing Skills: Find out what to expect in an interview. Learn how to answer tough questions and how to get feedback on your performance. Come prepared as if you were attending a real interview.

LinkedIn for Job Search: Use LinkedIn as a networking tool and enhance your job search! In this workshop, we demonstrate how to access the hidden job market, research employers and jobs, make the right connections and more.

Resume Writing Advanced: Learn advanced strategies for writing and creating resumes. Learn how to get the most from your resume.

How to Build a Consulting Business in the Gig Economy: Becoming a gig worker offers great advantages, but getting started can be scary. Join us as Tim Voit, small business specialist at LegalShield and Wes Roper, president of FranNet Franchise Startup Advising, discuss lessons learned from becoming gig workers.

Career Exploration: MBTI: This is a special topic version of Career Exploration. Job seekers will be taking the MBTI and learning how to utilize the results.

Registration preferred for all workshops.
