

# Apprentice & Manufacturing Ready

**FREE 8-month training to prepare you to start a career in construction!**

**Get your high school diploma!**

## Classroom Learning

Improve your math and communication skills, explore careers in the trades, learn about construction technologies and OSHA 10, get certified in CPR & First Aid, and create an online portfolio!

## Hands-On Training

Learn how to use many tools in construction, build a stud wall, work with copper and PVC pipe, learn finishing work, take 12 hours of welding training and 16 hours of forklift safety training, and more!

## Site Visits

Visit apprenticeship training centers and job sites to learn about apprenticeship programs and the benefits of working a union job, gain more hands-on experience, and see construction workers in action!
