Gain the skills and certifications you need in this short program on logistics and lift operation to gain employment at companies like UPS, Aramark, and O’Reilley Auto Parts.

As you progress in the program, we provide assistance in career services and employment placement.

Lessons Include:
• Warehouse 101 & career workshop
• Forklift and Bobcat certification (off site)
• Scissor lift certification (off site)
• Boom lift certification (off site)
• OSHA 10-Hour Construction Industry Training

‘Employer of the Day, Takoda’s bi-monthly Job fair takes place on the last day of Warehouse Training.
